### SUSAN B. ANTHONY NEEDS YOU

The Susan B. Anthony Luncheon honoring Jan Sanders is fast approaching. A few good women and men are still needed to make it a success especially in the Silent Auction area. Everyone cruises the auction section making it a great place to meet old friends and assist them in finding the perfect items for their bids. Auction monitors and cashier assistants unite the lucky auction winners with their items and expedite the purchasing process. Contact Jane Pak @ 972.233.2715 for further information.

Additional Luncheon Volunteer Positions Available...  
Table Centerpieces, Programs, Greeters, Registration

### Study Opportunity: Should Government Services Be Contracted Out To Private Companies?

If you read the headlines, you know this is a very timely issue at every level of government. A new LWVUS study addresses this question and study papers are available on the national website.

To see and download the study: Go to <http://www.lwv.org> and enter "Privatization" in the search box; click on the title The Legal Framework of Transparency and Accountability within the Context of Privatization to open; for a printable copy scroll to the end of the paper and click on the link [http://www.lwv.org/files/BP\\_PrivStudy\\_LegalFramework.pdf](http://www.lwv.org/files/BP_PrivStudy_LegalFramework.pdf).

*A local study committee is forming now. If you would like to participate, please contact Barbara Weinstein at (972) 661-8452 or [gewwendt@swbell.net](mailto:gewwendt@swbell.net).*
